

CHAPTER V

CONCLUSION AND SUGGESTION

After conducting the research, doing the analysis, and presenting the results, the conclusion and suggestion or pedagogical implications of this study will be presented in this last chapter.

Conclusion

- 5.1 Based on the finding of the analysis, it shows that the english folktales in english reading text in internet blog consists of interlanguage, they are omission, addition, selection, ordering
- 5.2 According to the findings, it can be concluded that the english folktales in english reading text in internet blog occurs interlanguage. We can see it from the number of the errors made, they were still confused which one to use when making a grammatical sentence. It could be because in bahasa Indonesia they do not have the verb conjugations. We do not have time signaling in expressing ideas. They are unfamiliar to this form and because English is still foreign for them. And those are the possible causes of their errors.it occurred caused by the writer does not have knowlage of language

Suggestion

Based on the finding of the analysis, we know that the english folktales in english reading text in internet blog, it is not good for material in Junior high school because there are some errors in language, so it can make the student confused.
