ACKNOWLEDGEMENTS

All praises to Allah SWT for his merciful and His blessing, who gives me opportunity to complete this thesis. In addition, this research would not have been possible without the support of many people. Then, the researcher would like to express the deepest appreciation to all those who gave spirit and motivation and provided me the possibility to complete this research. The researcher wishes to express her gratitude, and appreciation to:

1. My advisors: Dr. A. Dzo'ul Milal, M.Pd. and Dr. Dwijani Ratnadewi, M.Pd. who guide me placidly to finish this thesis. I don't know what should I give to them but I just can say "Thank you very much" and I wish Allah SWT will repay all the things that they gave to me, Amien.
2. All lecturers of English Department who gave knowledge, and who have opened my insight, thank you for giving me the worth lesson.
3. My father who rest in peace, I dedicate this thesis for him although he is not by my side, and also my mom, my sister and my brother, without their love, endless support and great understanding it would have been impossible for me to finish my study.
4. My beloved families Lia, Tari, Imda, Tika and Harfi for their understanding & support both morally and materially so this research can be completed.
5. All of my best friends Aulia, Nafa, Radiyana, Aditya, Amalie who always by my side, helped, supported and guided me in looking for the data. Thank you for your time.

6. Special thanks also to all my graduate friends in English Department of Muhammadiyah University Surabaya, who have helped, accompanied and motivated me to finish the thesis.
7. Last but not least, thank you to all people who have helped me either directly or indirectly that I cannot mention here. Thank a lot for your help. I appreciate it very much.

Finally, the researcher realizes that this research is still far from perfection. Therefore, all the critics and constructive suggestion from readers for the improvement of this research will be fully appreciated. In conclusion, the researcher hopes that this research can be beneficial in all of parties later on.
