ACKNOWLEDGEMENT

Alhamdulillah. That is the first word I would like to say to my greatest Lord, Allah Swt. for giving me strength to finish my skripsi. He is the one who always there for me whenever I need. He is the one who always watch me at the day, and guide me at night. He is the one whom I turn every time I felt alone in the mid of the crowd. I probably never finish my skripsi, without His bless and kindness. Later on, I would like to send my deepest thanks to my Skripsi Advisors who are Drs. Wijayadi, M.Pd. and Waode Hamsia, S.Pd., M.Pd. Thank you for being so patient in facing me. Thank you for reading my skripsi. Thank you for correcting it. I know it disturbs your life lately and make you busy by reading my skripsi. For that, I can only say really sorry.

Next, my greatest thanks go to my family, they are mother, husband and my son, Ach. Chubaib Lubbawy. For mother who always prays for me, I believe it will not be enough for me, no matter how many thanks I say, to pay your love to me. In the future, I promise I will make your smile wider than now. For my husband, there's nothing to say except a huge thanks for your support and for my little son, just promises me that you will always face the world with your reciting of Quran.
