

SOLEDAD

If only you could see the tears	1
In the world you left behind	2
If only you could heal my heart just one more time	3
Even when I close my eyes	4
There's an image of your face	5
And once again I come I'll realise	6
You're a loss I can't replace	7
Soledad It's a keeping for the lonely	8
Since the day that you were gone	9
Why did you leave me	10
Soledad In my heart you were the only	11
And your memory live on	12
Why did you leave me Soledad	13
Walking down the streets of nothingville	14
Where our love was young and free	15
Can't believe just what an empty place	16
It has come to be	17
I would give my life away	18
If it could only be the same	19
Cause I can't still the voice inside of me	20
That is calling out your name	21
Time will never change the things you tolls me	22
After all we're meant to be love will bring us back to you and me	23

I HAVE A DREAM

I have a dream	1
A song to sing	2
To help me cope with anything	3
If you see the wonder of a fairy tale	4
You can take the future even if you fail	5
I believe in angels	6
Something good in everything I see	7
I believe in angels	8
When I know the time is right for me	9
I'll cross the stream -I have a dream	10
I have a dream a fantasy	11
To help me through reality	12
And my destination makes it worth the while	13
Pushing through the darkness still another mile	14
