ACKNOWLEDGEMENTS

My praise goes to Allah Azza wa Jalla, the Almighty, the Merciful, and the Most Helpful who has assisted me in everything so that I can accomplish this thesis. In this good opportunity, I would like to thank all of those who have helped me out and exhorted me in the process of writing this thesis. First of all, I would like to dedicate my sincerest gratitude to our creator, Allah Azza wa Jalla.

Then, my sincerest appreciation and gratitude go to Armeria Wijaya, S.S, M.Pd, who has been patient in assisting me for writing my thesis and has spent her time in correcting and providing suggestion in completing my thesis. In addition, my great gratitude expressed to Drs.Wijayadi, M.Pd., and Ari Setyorini S.S., M.A., who have been my fabulous counsellors that always give me valuable help and precious knowledge during the process of writing this thesis. Furthermore, I would like to express my highest gratitude to my beloved family, my beloved mother who always supports and prays for me to get a success. I also thank to my father who always supports and pays my study fee in this university. Moreover, my gratitude is appointed to my uncle and my aunts who have already advised me in everything, especially in determining my prior plan in the future.

I personally would love to express my sincerest gratitude to my best friend, Hamka Nur Ikhsan. I always call him “Batman”. Thank you for loving, supporting, praying, and accompanying me to do everything. You’re such a my mood booster and my reminder in conducting everything, mainly reminding me to always remember to our creator, Allah Azza Wa Jalla in everywhere and anytime as long as I still breath in this earth. I also would like to thank to my best friend, Febry Novitasari who always helps me out in everything. Thank you so much for encouraging and giving me suggestion to step ahead for achieving my goals. Moreover, my gratitude also expressed to my classmates, Elsadora Joswa Irsyad who always becomes my fabulous partner in any coursework during studying in the university and Lutvy Arsanti who has given me some valuable advices and helped me in completing my thesis. My big

gratitude also addressed to all of my friends in English Department who have shared the time and experiences together.

I realize that my thesis is far being perfect. Any criticisms, ideas and suggestions for the enhancement of this research are greatly appreciated. I expect this research gives some contributions for the advancement of the English teaching and learning and for the readers.
