

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter is divided in two parts: conclusion and suggestion. The conclusion and suggestion consist of summary based on the result findings and discussion.

5.1 Conclusion

Based on the analysis in chapter IV , I conclude that there are some figures of speech in the three songs of Taylor Swift . Further more some depicted love in Taylor Swift songs. In details the finding can be stated as below :

5.1.1 Taylor Swift's songs contain various figure of speech . It can be seen through the finding and discussion where the Taylor Swift are Alliteration, Assonance, Anaphora, Antithesis, Epiphora, Exclamation, Irony, Repetition, Simile,

5.1.2 The messages of figure of speech in the three songs are different. There are many message are different from one song to song another.

5.1.3 The love depicted in Taylor Swift's song "Love story" "You belong with me" "Back to december". As the result of this study shows that three songs of Taylor Swift are the author's express of her love to her beloved.

5.1.4 Meaning of Love in Taylor Swift's songs

Love story song about the author feeling. On the other hand, This song about love. Taylor swift describe a girl who feel in love with her boyfriend at party and also her father disapproves of their relationship. Taylor swift write love story song use a source of inspiration like the romantic love story. For instance : Romeo and Juliet. This situation related romeo and juliet. But in the end They're The author replaces form of Romeo and Juliet's story with original tragic especially in the end happy ending. In a fact, the lyric is from perspective of juliet. The song also talks about Swift's father and also the author ignores her father's advice. The author writes this song about love in different way, but it really happens to author's story. Moreover, the ending story Taylor really want someone to say, "I love you ". That's involve the girly. So, love story involve eros.

You belong with me song describe meaning of love sweet moments Taylor with her neighbour. She is wanting someone who is with this girl who doesn't appreciate him. Swift was inspired to write "You Belong with Me" describe about teenager who falling in love with her neighbour. In the case, her neighbour has girlfriend. The author know two of them always to spend time together . They always date everytime, They always share the same interests,so the author feels jealous with this condition. Their relationship very amazing because they're fall in love. They're touch and kiss in front of the author So, this condition makes the author r sad and disapointed. The boy wants explain about this condition but the author ignore. So this condition involve eros.

Back to December the message from that song is she ever apologizes to someone on last december. This song is about her relationship with Taylor Lautner. This Taylor's song has some meaning for instance she remember and memories of the night about him. She still loves Lautner thinking back about their breakup. The author realize that Taylor Lautner is one of special boyfriend. Taylor Lautner who was incredible to her and also she realize that careless with him. December is the time when the author make sweet moments with her boyfriend. She wants to look back Taylor Lautner. The author's already mae up her mind. She always waiting but he never come.

5.2 Suggestion

5.2.1 Figure of speech

There are many means of getting our knowledge wider and make this life of our more meaningful. Through analyzing the figure of speech and depicted love found in song lyrics is one option that we can choose from. In any case, lyric have contained many lessons to be learned for all.

Having studied the figure of speech on Taylor's songs moreover, the writer suggest that see song is important because song as a medium of learning. Further more, the lyrics are the instument used to accompany a song. Lyric have many meaning to take advantage of life. For instance, lyric as expression of personal feeling. In any case, lyric be romantic, emotions, happiness and sadness.

5.2.2 The love depicted in Taylor Swifts song”

After analyzing three song taken Taylor Swift's song. The writer finds out that the types of love appears in those song. For instance : Eros and Mania. From these songs contains expressing a romantic love. All people get love need long time. Basically, love is part of experienced the whole of life. For instance: when you feels fall in love, broken heart and break up. So, love make you happy and sorrow. Eventhough, in the end love makes happily ever after.
