

## CHAPTER V

### CONCLUSIONS AND SUGGESTIONS

This chapter presents the conclusion of the result of the study that has been discussed in the previous chapter and suggestion for teachers and English students.

#### 5.1 Conclusion

Based on the data analysis and reserch at the eleventh class of MA Al-Hikmah Bangil, the writer wants to persent the conclusion. The conclusion consists of several points that are related to the statements of problem, they are:

The kinds of error made by the students in writing recount texts are as follows.

Errors in using Verb	21 %
Errors in using Noun	31 %
Errors in using Pronoun	31 %

That the students get the problems in learning English because there are many differences between indonesian and English term of grammar, vocabulary, etc. The study of the learners' errors has been primary focused as foreign language research, it is called error analysis.

## **5.2 Suggestion**

It is suggested that the teacher should never stop creating new methods or activity in teaching English to improve the students' achievement, and the students maintain their achievement and be creative in order to be able to develop and explore their ability in learning and practicing English. It is also suggested that the other writers conduct a research on some areas of learning activities. .
