## Appendix 1

Umbrella

You had my heart, and we'll never be worlds apart  
Maybe in magazines, but you'll still be my star  
Baby 'cause in the dark, you can't see shiny cars  
And that's when you need me there  
With you, I'll always share

Because when the sun shines, we'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end

Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella

(Ella ella, ay ay ay)  
Under my umbrella  
(Ella ella, ay ay ay)  
Under my umbrella  
(Ella ella, ay ay ay)  
Under my umbrella  
(Ella ella, ay ay ay ay, ay ay)

These fancy things will never come in between  
You're part of my entity, here for infinity  
When the war has took its part  
When the world has dealt its cards  
If the hand is hard, together we'll mend your heart

Because when the sun shines, we'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end

Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella

(Ella ella, ay ay ay)  
Under my umbrella  
(Ella ella, ay ay ay)  
Under my umbrella  
(Ella ella, ay ay ay)  
Under my umbrella  
(Ella ella, ay ay ay ay, ay ay)

You can run into my arms  
It's okay, don't be alarmed, come in to me  
There's no distance in between our love  
So go on and let the rain pour  
I'll be all you need and more

Because when the sun shines, we'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end

Now that it's raining more than ever
