

## **CHAPTER V**

### **CONCLUSIONS AND SUGGESTIONS**

The last chapter of this study is conclusion and suggestion. The conclusion includes the discussion that the writer has made in previous chapter than for the suggestion the writer is given for the teacher especially for English teacher to improve the quality of teaching writing and its process especially using diary.

#### **A. Conclusions**

This study focuses on how does teacher use diary in teaching writing in SMKN 9 Surabaya and these are the conclusion as shown in the discussion of chapter IV.

1. There are 7 steps of activities in the process of teaching writing through diary in SMKN 9 Surabaya. The first; the teacher explaining the purpose about diary, The second step is explaining the material that he will apply,. After that the teacher giving task about diary, next teacher giving a guidance, then give assessing , giving reward and the last step evaluating
2. Teaching writing through diary is very useful for teacher to activate the students' prior knowledge in order to write the diary easily
3. Although there are some advantages using diary but there are some possible difficulties faced by teacher during teaching and learning by using diary , there are problem for student in expressing idea is because they are lack of vocabulary.

#### **B. Suggestion**

At the end of this study there are some suggestion that would like to recommend. There are some suggestions that can be recommend, namely:

1. As one of an alternative techniques that enables student to encourage a writing habit and

to develop fluency as well as to improve students' motivation and attitude toward writing

2. In order to make the lesson easier to be understood the teacher should give more example and theories.
3. In order to motivate the students in writing using diary, the teacher should make the opening of writing using diary lesson more interesting.

Although the writer was done for SMKN 9 Surabaya at tenth grade, it may also be useful alternative technique in teaching writing for the other grades. Therefore it is needed the further research
