

## **CHAPTER V CONCLUSION AND SUGGESTION**

This chapter will conclude the result of analyzing the data. It will include Some special words used by bird traders and bird lovers in Mojokerto, The Time When the bird traders and bird lovers use such special words. Besides, it will conclude The reason why the bird traders and bird lovers use such special words.

### **5.1 Conclusion**

After finishing the analysis, the writer gave a conclusion and suggestion about the research. It is for summarizing the analysis in chapter IV. Besides, this chapter is for giving useful thing in writing about sociolinguistics, especially about special words used by bird traders and bird lovers.

#### **5.1.1 Some Special Words Used by Bird Traders and Bird Lovers in Mojokerto**

From this research, it is concluded that in sociolinguistics study, it is able to get some language varieties especially about the jargon among the bird traders and bird lovers in Mojokerto, like *Kacer*, *Lampung*, *Kepala Emas*, *tledekan*, *Latpres*, *nyeklek*, *ngerol*, and *ngetem*. *Murai*, in Javanese Language means *manuk Murai Batu* and it is a name of bird *Murai Batu* which has long tail, different colors in its body and tail. When it produces sound it will shake its tail p and down (its for *Murai Batu* from Sumatera). While *Murai Batu* from Kalimantan, it will puff up its chest when it produces sound; *ngurak*, in Javanese Language means *wulue mbrondoli*, *ngganti wulu* and it is a condition of a bird that falloff its feathers/ loss of its feather because the they have been already old. Besides, the bird wants to renew its feathers; *Nenggar*, in Javanese Language means *Dikeki*

*kurungan gede nggo nglatih stamina* and it is described as given bigger cage for practice its stamina in order to be able to produce sound longer in a contest; and etcetera.

### **5.1.2 The Time Bird Traders and Bird Lovers Used The Special Words**

From the analysis in chapter IV above, we can get some information about the time when the bird traders and bird lovers used the words can be predicted. Of course, when there is an activity relating to bird. For example, in bird trading in a bird market or in a bird lovers' house. Besides, it is also used in a bird contest.

### **5.1.3 The Reason of Bird Traders and Bird Lovers Use The Special Words**

The writer conclude that the reason of bird traders and bird lovers use the special words is for making the communication effective and easier and more practical to be expressed than it has to be described each special word that is used by bird traders and birds lovers.

## **5.2 Suggestion**

This study has not been final yet. However the writer suggests to other or next writer to be more enthusiastic in writing about sociolinguistics especially when deals with special words in social communication because it has many knowledge about language. The role of code switching and code mixing in this research or maybe other sociolinguistics study is expected to be a good thing in communication.

<p>Situation 6 (4-4-2010)</p> <p><i>Speaker A : Aku nduwe Tledekan loro, gak crito?</i></p> <p><i>Speaker B : Iku ya ngunu digawa nang Mojokerto.</i></p> <p><i>Speaker A : Kapan? Latpres?</i></p>	<p>Situation 6 (4-4-2010)</p> <p>Speaker A : I have two Tledekan, did he tell about it?</p> <p>Speaker B : It was taken to Mojokerto.</p> <p>Speaker A : When? Achievement practice?</p>
