

CHAPTER III

METHOD OF THE RESEARCH

This chapter discusses the nature of the research, the data source including soccer commentator's talk. It also discusses the data selection technique. Besides, it discusses the data.

3.1 The Nature of This Research

This research uses descriptive qualitative research. It means, it discusses the words and phrases not discuss about numerical data. The analysis is made by describing the phenomenon found during the study. The result shows only the description of phenomenon.

Because this research uses a descriptive qualitative analysis, so the data was the result of observation. It takes a month in observing the data.

3.2 The Data Source

The data source was collected from internet. The source comes into various forms like highlight video of the football match on Youtube, huge banners attached in the stadium and sport journalist reviews on news channel at internet.

The following are the data sources used in this research. They are four sport announcer talks, seven sport journalist reviews and two banners.

First, the data sources are taken from Youtube. They are:

1. Sriwijaya FC vs Barito Putra, January 11, 2013, ISL season 2012-2013.

Tim promosi Barito Putra mampu memberi perlawanan sengit saat berkandang ke markas juara bertahan sriwijaya FC hari Jumat kemarin. Laskar

Antasari berhasil unggul lebih dulu saat laga baru berjalan delapan menit dengan tendangan volly Djibril Coulibaly. Laskar Wong Kito baru bisa menyamakan skor menit kedelapan babak kedua dari aksi Eddie Foday Boakay. Menit tujuh puluh tiga tendangan bebas Achmad Jufrianto mampu membuat tim tuan rumah besutan Kas Hartadi ini berbalik memimpin dua satu. Barito yang bertekad tidak ingin numpang lewat mampu menyamakan skor dua dua setelah tendangan keras dari Nehemia Solossa sukses membobol gawang Rivki Mokodompit. Saat bertandingan bakal seri Jufrianto menjadi pahlawan Sriwijaya FC dengan mencetak gol keduanya. Skor akhir sriwijaya Menang tiga dua atas Barito(YouTube,LLC.2013.SriwijayaFC3Vs2BaritoPutera.<http://www.youtube.com/watch?v=s6FdGeMYrpc>. 22 Mei 2013).

Promotion team Barito Putra are able to give fierce resistance when play away at defending champion's home Sriwijaya FC last Friday. Antasari warriors lead the game first when the game just run for eight minutes by a volley kick of Djibril Coulibaly. Wong Kito warriors until then equalize the score on eighth minute of the second half from the action of Eddie Foday Boakay. At the seventy third minute a free kick of Achmad Jufrianto is able to make this host team that coached by Kas Hartadi turn over lead two one. Barito who determine themselves won't just pass through are able equalize the score two two after a powerful kick from Neheima Solossa successfully entering the goal of Rivki Mokodompit. When the game seem to end draw Jufrianto be a hero for Sriwijaya FC by scoring his second goal. Final score Sriwijaya win three two over Barito.

2. Arema vs semen Padang, 31 October 2010, ISL season 2010-2011.

Arema Indonesia tampil meyakinkan saat menjamu Semen Padang FC di stadion Kanjuruhan Malang, Minggu malam. Baru dua menit laga berjalan, tim tamu langsung dikejutkan oleh gol Dendi Santoso yang lahir dari sontekan kaki kanannya. Unggul satu nol tim Singo Edan semakin menggebu-gebu. Menit kesebelas giliran Yongki Ari Wobowo yang membuat supporter Arema bersorak dengan golnya ke gawang kiper Samsidar untuk menggandakan skor Arema. Sembilan menit kemudian arema kembali mendapat peluang menambah gol. Kali ini berkat hadiah penalti dari wasit karena Esteban Viscara kedapatan menyentuh bola dikotak penalti, dan Pierre Njanka yang bertugas sebagai algojo menunaikan tugasnya dengan baik. Skor tiga nol untuk keunggulan tuan rumah. Petaka kembali menghampiri Semen Padang dengan dikeluarkannya Saktiawan Sinaga dari lapangan lima menit sebelum turun minum karena terlalu keras memprotes wasit. Namun dengan hanya sepuluh pemain, tim Kabau Sirah justru mampu memperkecil ketinggalan di menit ke empat puluh dua. Tendangan bebas Yu Hyun-Koo yang sempat mengenai kaki Edward Wilson junior tidak mampu ditepis oleh Ahmad Kurniawan. Skor tiga satu bertahan hingga jeda. Pada babak kedua kedua tim sama-sama melakukan tekanan namun hingga wasit meniup pluit panjang tidak ada tambahan gol tercipta. Skor telak tiga satu untuk kemenangan Arema Indonesia (You Tube, LLC.2013.HOME-03-Arema vs SemenPadang (3-1) 31 Oktober 2010.<http://www.youtube.com/watch?v=p0wWx8msEnI>. 22 Mei 2013).

Arema Indonesia play impressively when serve Semen Padang FC at Kanjuruhan Stadium Malang, Sunday night. Just two minutes the game run the host team immediately startled by the goal of Dendi Santoso with his right foot kick. Lead one nil The Crazy Lion team more and more determined. The eleventh minute is time for Yongki Arwibowo makes Arema supporters cheer with his goal into the goalkeeper Samsidar to double the score of Arema. The following nine minutes Arema again get chance to enhance the goal. This time by a penalty gift from the referee because Estaban Viscara caught on eyes touches the ball on penalty area, and Pierre Njanka as the executor discharge his task smoothly. Score three nil for the leading of the host. Disaster again hit Semen Padang with Saktiawan Sinaga's expulsion from the game five minutes before half time because of his harsh protest over the referee. But, only with ten players, The Red Buffalo team exactly reduce the remainder at the forty second minute. Yu Hyun-Koo's free kick that hits Edward Wilson Junior's leg can't be driven away by Ahmad Kurniawan. Score three one lasts until half time. In the second half, both of the teams give pressures each other but until the referee blows long whistle no more additional goal created. Prominent score three one for the victory of Arema.

3. Arema vs Persija, 31 August 2010, Inter Island Cup 2010.

Arema yang memakai kostum putih putih bermain lebih dominan ketimbang Persija Wamena namun sejumlah peluang yang diciptakan oleh Sunarko dan Dendi Santoso tidak berhasil menjebol gawang Persija yang dijaga oleh kiper Galih Firmansyah (You Tube, LLC.2013.Highlight Arema Indonesia1-

1PersiwaWamena(InterIslandCup2010).http://www.youtube.com/watch?v=MwFxJACute0. 22 Mei 2013).

Arema with all white jersey play more dominating than Persiwa but a number of chances created by Sunarko dan Dendi santoso fail to break down the goal of Persiwa which guarded by goalkeeper Galih Firmansyah.

4. PSM vs Bontang FC, 31 October 2010, ISL 2010/2011.

Sementara itu tim tuan rumah PSM Makassar berhasil mengalahkan tamunya Laskar Bukit Tursinai Bontang FC dengan skor satu kosong. Dalam pertandingan yang berlangsung di stadion Matoangin Andi Matalatta Makassar, gol tunggal tuan rumah dicetak pemain pengganti Corinus Fingcrew yang menjadi pahlawan kemenangan tim berjuluk Juku Eja pada menit ketujuh puluh enam (You Tube, LLC.2013.HighlightPSMMakassar1-0BontangFC.http://www.youtube.com/watch?v=I4eGVgN6yyc. 22 Mei 2013).

Meanwhile the host team PSM Makassar succeed in defeating their guest the warriors of Tursinai hill Bontang FC with score one nil. In the match held on Mattoangin Andi Matalatta stadium Makassar, the only goal of the host is scored by the substitute player Corinus Fingcrew that be a hero for the winning of the team with label Juku Eja on the seventy sixth minute.

Second, seven sport journalist reviews quoted from online news channel. They are:

1. *Tim Maung Bandung melepas striker asal Kamerun Herman Dzumafo Epandi dan berencana merekrut pemain pengganti untuk tandem striker Sergio van Dijk* (METROTVNEWS.COM.2013.Maung Bandung Lepas Herman Dzumafo.<http://www.metrotvnews.com>, Tuesday, 07 May 2013. 25 Mei 2013).

The White Tiger of Bandung team take off Cameroonian striker Herman Dzumafo Epandi and plot to recruit substitute player for tandem striker Sergio van Dijk.

2. *Manajemen Persija bergerak cepat usai mundurnya pelatih Iwan Setiawan, dan asistennya Sudirman. Hanya berselang satu hari, Persija telah resmi menunjuk Benny Dollo sebagai pelatih anyar Macan Kemayoran* (Republika online.2012.Benny Dollo Jadi Pelatih 'Macan Kemayoran' Persija.<http://www.republika.co.id>, Wednesday, 20 March 2013.25 Mei 2013).

The management of Persija act quickly following the resignation of coach Iwan setiawan, and his assistant Sudirman. Only one day interval, Persija have officially appointed Benny Dollo as the new coach of The Tiger of Kemayoran.

3. *Persegres Gresik meradang disebut tidak bisa berbuat banyak menghadapi raksasa Persipura Jayapura. Mereka bertekad memberikan perlawanan keras untuk membendung laju Mutiara Hitam yang musim ini belum tersenggol kekalahan sekali pun* (SINDOnews.com.2012.Termotivasi jadi tim pertama

nodai Mutiara Hitam.<http://soccer.sindonews.com>, Friday, 17th May 2013. 26 Mei 2013).

Persegres Gresik inflame being called can't do much things to face the giant Persipura Jayapura. They have determined to give strict resistance to block the pace of the Black Pearl which in this season they never lose once over.

4. *Hanya saja, dengan melihat progres Badai Pegunungan yang mampu mengumpulkan tujuh kali kemenangan, bukanlah tim yang mudah untuk dipatahkan. Apalagi, mereka bisa mengambil poin sempurna saat bermain di kandang Persisam Samarinda* (SINDOnews.com.2012.SFC *siapkan penangkal serangan Badai Pegunungan*.<http://soccer.sindonews.com>, Thursday, 11April2013.26Mei2013).

However, looking at the progress of The Mountains Storms that are able to collect seven times winnings, the team are not easily broken. Moreover, they can take the perfect point while they play in the home of Persisam Samarinda.

5. *Gol semata wayang Boaz Solossa membawa Persipura meraih poin penuh saat menjamu Persija Jakarta dalam lanjutan kompetisi Liga Super Indonesia, Selasa (2/4) sore* (METROTVNEWS.COM.2013.Gol Semata Wayang Boaz Tundukkan Persija.<http://www.metrotvnews.com>, Tuesday, 2nd April 2013. 26 Mei 2013).

The only goal from Boaz Solossa bring Persipura to gain perfect point when they serve Persija Jakarta at the continuation of Indonesian Super League competition, Tuesday (2/4) afternoon.

6. *Paro kedua baru berjalan dua menit, Bajul Ijo kembali mendapat kesempatan tendangan dari titik putih setelah Goran Gancev yang berdiri bebas dijatuhkan kiper Sukirmanto di menit ke-47. Protes pun dilayangkan pemain PSLS kepada wasit Saripudin. Namun wasit bergeming, dan Soler yang ditunjuk jadi algojo kembali sukses menyangkan bola ke gawang lawan. Tertinggal dua angka membuat PSLS makin bersemangat mencetak gol balasan (Kedaultan Rakyat Yogyakarta.2013.Persebaya Kalahkan PSLS 4-2.<http://krjogja.com>, Monday, 29 April 2013. 26 Mei 2013).*

Just two minutes the second half has run, Green Crocodile get chance again by a kick from the white dot after Goran Gancev who stand freely is tumbled by the goalkeeper Sukirmanto in the forty seventh minute. Thus, protest thrown by PSLS player to the referee Saripudin. Yet the referee doesn't care, and Soler whom was appointed as the executor success again in nesting the ball to the foe's goal. Left behind in two scores make PSLS more determined to make counter goal.

7. *Di masa injury time, Persipura kembali menambah gol melalui tendangan geledek Nelson Alom. Skor menjadi 2-0 dan kedudukan ini bertahan hingga laga usai (PT.Viva Media Baru. 2008-2013.Tundukkan Sriwijaya, Persipura*

kokoh di Puncak ISL.<http://bola.viva.co.id>, Saturday, 20 April 2013. 22 Mei 2013).

In injury time, Persipura again add to goal through Nelson Alom's thunder kick. Score goes to two nil and this score lasts till the end of the game.

The last, the data source are taken from huge banners attached in the stadium.

They are:

1. *Serdadu Bonek*

(You Tube, LLC.2013.*ISL 09/10-Persebaya vs Arema – 1st Half 1*.16 January 2010, ISL 2009/2010. 22 Mei 2013).

3.3 The Data Selection Technique

3.3.1 Selection

Many recorded videos of football match can be found at internet. But, not all of these videos contain certain words and phrases used by Indonesian football

community. Therefore, long enough time is required to find the suitable data source because it involves listening first to the materials and then downloading them if there is a related word or phrase unless moving to another source.

3.3.2 Transcription

The videos have to be played-paused-played in transcribing the data source. Therefore, it will create a factual data source. The data source offers some special words and phrases related to supporters, football clubs, and some special words used by the sport journalists in analyzing the game.

3.4 The Data

From the data source it can be found twenty-four data. They are:

1. *Bonek*
2. *Viking*
3. *The Jak mania*
4. *Laskar Antasari*
5. *Laskar wong kito*
6. *Laskar bukit Tursinai*
7. *Singo edan*
8. *Kabau sirah*
9. *Juku eja*
10. *Maung Bandung*
11. *Macan Kemayoran*
12. *Bajul ijo*
13. *Mutiara hitam*

14. *Badai pegunungan*
15. *Membobol gawang*
16. *Menjebol gawang*
17. *Poin sempurna*
18. *Kandang*
19. *Tuan rumah*
20. *Turun minum*
21. *Peluit panjang*
22. *Titik putih*
23. *Gol semata wayang*
24. *Tendangan geledek*
