4.3 Why does the news program “*Pojok Kampung*” on JTV Surabaya use Surabaya dialect

In this sub chapter, the writer would like to explain why does the news program “*Pojok Kampung*” on JTV Surabaya:

Coupland states that ‘style’ refers to a way of doing something (2007:1). The writer was using interview to answer how is viewer respon toward the news program “*Pojok Kampung*” on JTV Surabaya. The writer conducted interview

with the JTV's crew with the following questions why the news program "*Pojok Kampung*" on JTV Surabaya uses Surabaya dialect and why the news program is discussed around the East Java? JTV's crew states that because as a form of language preservation area so it is not lost by the influence of globalization, in terms of culture editors strive to maintain and popularize peculiar words "*boso Suroboyoan*" so that the words are hardly used resurfaced, for example word *bronpit* in Indonesian means 'bike motorcycle'. Based on the functions of commercial entertainment and editorial use words are funny and entertaining, for example said *mbok ndewor* in Indonesian means 'mother or wife'. By using words such unusual, rating news program "*Pojok Kampung*" on JTV Surabaya are high on top and get a lot of ads that are favorable to the television. This is proven by the success of the news program "*Pojok Kampung*" on JTV Surabaya received an award from Surabaya Heritage as one of the heritage of the nation on Monday, July 7, 2008 because it was considered as a preserver "*boso Suroboyoan*". For that reason the news program "*Pojok Kampung*" on JTV Surabaya discuss news about East Java.

4.4 How are viewer responses toward the news program "*Pojok Kampung*" on JTV Surabaya

In this part, the writer would like to explain how *Suroboyoan* is viewer responses toward the news program "*Pojok Kampung*" on JTV Surabaya:

The writer was using questionnaires to answer how is viewer respon toward the news program "*Pojok Kampung*" on JTV Surabaya. This activity suitable with Couplan quotation that 'style' refers to a way of doing something (2007:1) the writer would like to uses the Questionnaires.

Questionnaire consists of one hundred and fifty sheets, and every sheet has six questions. The writer would be giving explanation in every answer.

Question number one:
