ACKNOWLEDGMENT

Praise be to Allah the almighty, the one who gave blessing, health, chance and also inspirations provided to the writer for the completion of the final project titled *Analysis of Main Character's Post-traumatic Stress Disorder in Hannibal Rising by Thomas Harris*.

This final project is submitted to fulfil one of the requirements to gain college degree of English language education in University of Muhammadiyah Surabaya. In finishing this thesis, I really give his regards and thanks for people who has given guidance and helped, they are:

1. Dr. Ahmad Idris Asmaradhani, M.Pd my first advisor who has given help to finish my thesis.
2. Drs. Widjayadi, M.Pd who has also given me advice to finish my thesis.
3. Drs. Achmad Fathoni M, Pd. my second advisor who has given me patiently in order to finish my thesis on time.
4. My beloved mother and father who have given supports and praying to finish this final project. In addition, all my family who help give me some suggestions and guidance.
5. All my friends who cannot be mentioned one by one that have helped me give me some suggestions to finish this thesis.

I am sure without their helps, especially my consultant, it cannot be finished on time.

Surabaya, June 10th 2015

Amanda Widhi Rahadi
