

CHAPTER V

CONCLUSION

The analysis is done, finally the researcher comes to the conclusion of this researches. The conclusion will be explain in two point. The first is the conflict that related to Daisy's feminism thought and the second is the development Daisy's of thought seen from Feminism. The conflicts that related with Daisy's feminist thought reveals when Tom Buchanan married her in her early life, this conflict includes in latent conflict, because Daisy jut keep silent and do not do anything. After marrying by Tom, Daisy must be faces the reality that her husband makes an affair with his mistress. It is latent conflict too, because Daisy does not do anything to against Tom has been done to her. Then, Gatsby comes to her life and demand her to marry with him. Because they both have a love relationship in the past. It is overt conflict. Because two of them against one another in their meeting with Tom. They do not cover it anymore. They both dispute infront of Tom and it makes Tom get angry too. The conflicts being wide. It gets a final that Daisy said that she does not want to influence by anyone to decide it. She freely decide that she does not want to live with Gatsby. Because she thinks impossible to do it. She already get married. She begs to Gatsby that she does not want to live with him and want to continue with Tom.

The second is the development Daisy's of thought seen from Feminism. It is concerned with Daisy's process of developing her thought in liberal feminism. The conflicts between her and her environment really influence her thought seen from feminism. First, her conflict in her early life, second the

betrayal of Tom, third her conflict with Jay Gatsby. The conflicts pull her patients and makes her wants be same degree with man. Beside that, her thinking also influenced by the victorian era. Victorian era is era when a woman just stay silent when she is facing the conflicts in her life. Daisy done it too, but her already develop their thought by her conflicts that must be facing by her, and finally she can express her willing to be free and decide her problem by herself without influence by Tom or gatsby.
