Dear Dra. Anita Stern

Hope this email finds you well

Regarding publication entitled "Correlation of HbA1c levels and diabetic neuropathy complications in diabetes mellitus patients" that have published in Gaceta Medica de Caracas Vol 129 Suppl.2, we confirm that we can't find the PDF file

Kindly find the screen picture from the website in attach
Looking forward for your best response

Thank you very much for your kind help

Regards,

Dear Prof. Miftahussurur:

I just checked the Gaceta Medica de Caracas Vol 129 Suppl. 2, and there is no problem with the PDF you indicate.

Please check the following link:

Dear Dra Anita Stern,

Thanks for your confirmation and help

Regarding our report, I thought, we have different links to access it. We can't get the PDF based on this links:
http://saber.ucv.ve/ojs/index.php/rev_gmc/issue/view/2407

Thank you very much for your best response

Dear Prof. Miftahussurur:

Due to your information, we checked the platform **Saber**, and you were right.

Since this platform was updated, it is possible that the PDF was lost.

We corrected this problem and now your article PDF can be downloaded from both platforms

Here are the links:
