ACKNOWLEDGEMENT

All praises belong and gratitude to Allah SWT who has given the writer blessing, mercy, health, strength and guidance, so the writer can finish this “Thesis”. Peace and blessing to prophet Muhammad SAW who has brought us from the darkness to the lightness.

In doing this thesis, I would like to express my deepest gratitude to Dr. Dwijani Ratnadewi and Sofi Yuniarti, S.S as my advisors who have shared their valuable guidance and advice all the mistake with thoroughness and empathy in doing this thesis with me from the start. They have inspired and motivated me to have ability and effort enough to finish this thesis.

Besides, I would like to thank the dean of department and faculty. The deepest gratitude to all of my lectures from English department who give me such a valuable knowledge. Big thank also to the examiners for my thesis who have given comments and suggestions. My thanks are also given to my beloved family; my parents who have spent a lot of time to support me, take a good care and always beside me when I am down during doing this thesis.

Unforgettable, I would like to say thank you to my lovely Thai friends who give the support greatly to me in finishing this thesis. Big thank to my close friend, Rusneesan and Nurulhuda and Nidia who always guide me when I have the problem to do this thesis. I also would like to thank to Jasmin and Bucharo to belong with me almost four years.
