

CHAPTER V

Conclusion and Suggestion

5.1 Conclusion

This study is a qualitative study, because the data taken is language, namely Mr Prabowo's speech in Boyolali in the context of the inauguration of the Prabowo-Sandi winning office and also for campaigning. This study uses a Critical Discourse analysis because the writer wants to know in depth what the intent and purpose of the speech delivered by Prabowo is so that it becomes polemic in the community, especially the Boyolali community.

This research uses a Critical discourse analysis with a discourse analysis approach, political discourse, Power, ideology, linguistics features, social implication and also a previous study as a reference to make this paper.

After analyzing Prabowo's speech the writer found several points, The results of this study are to answer the problem statement in chapter 1.3, and all the results are in accordance with the text of Mr. Prabowo's speech and in accordance with the situation and conditions of the Indonesian presidential election period 2019-2024.

1) Prabowo uses linguistics features, among others: Rhetorical question, this is used indirectly to influence the audience to agree with his statement that assesses the government of the president Joko Widodo - Jusuf Kalla is unfair and does not yet prosper Indonesian citizens. Furthermore, Prabowo uses the word 'I' more, the word 'I' also refers to Prabowo Subianto to convince the audience if he is able to bring Indonesia to be better.

2) Social implication, based on the results of the social implication research that occurred was negative, because Prabowo's statement became a problem for residents, especially

Boyolali residents, and the problem was proven by the existence of a citizen who reported Prabowo to the Police on charges of harassing and insulting Boyolali residents.

3) Power and Ideology, Based on Prabowo's research, he has quite good power and ideology, this is evident from the background of Prabowo who was once a General, a General Chairperson of the Gerindra Party, and support from party coalitions including the Democratic party, as we all know that the party Democrats under the leadership of Mr. Susilo Bambang Yudhoyono have led Indonesia for the past 10 years, starting from 2004 - 2014.

This research is far from perfect, therefore the writer is happy to accept criticism and suggestions for improving himself in the future, so that the writer can make a better and more useful research for readers.

5.2 Suggestion

As stated above that this research is still far from perfect, so the next writer is expected to be able to make a better research, study more deeply in accordance with the problems and theories used, so that the research will be useful for the writer himself and also for the readers. As a reference and guide, look for a good previous study in accordance with the theme that we are making so that it makes it easier for us to research and compile the research.
