

About Journal

Surabaya Biomedical Journal

Surabaya Biomedical Journal published three times a year (January, May, September), published by Faculty of Medicine Universitas Hang Tuah Surabaya Biomedical Journal is open access; peer-reviewed journal aiming to communicate high-quality research articles, reviews and general articles in all the field of medical sciences.. The Journal aims to bridge and integrate the intellectual, methodological, and substantive diversity of medical scholarship, and to encourage a vigorous dialogue between medical scholars and practitioners. The scope of the journal includes: marine medicine, hyperbaric medicine, general medicine, dentistry, nursing, related health sciences, and pharmacy

The Journal welcomes contributions which promote the exchange of ideas and rational discourse between practising educators and medical researchers all over the world. ISSN : 2808-649X
