Dear author

Betty Ariani:

Thank you for submitting the manuscript, "TECHNICAL STUDY ON THE COMPARATIVE PLANNING OF A WASTE COLLECTION VESSEL PROPULSION SYSTEM: CONVENTIONAL ENGINE AND SOLAR PANELS" to International Journal of Marine Engineering and Applications. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Submission URL: <https://ijmea.hangtuah.ac.id/index.php/jurnal/authorDashboard/submission/374>
Username: bettyariani

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

International Journal of Marine Engineering and Applications (IJMEA)
