Dear Doctor,

your manuscript #25816 entitled "[Self-efficacy, Motivation and Adolescent's Adherence of a Health Protocol during Pandemic COVID-19 in Indonesia](#)" has been examined by two outside reviewers and by the editors.

Comments:

Dear Authors, educational programs about the importance of implementing health protocols for adolescents with peer groups are urgently needed as far as information through various social media. Convincing and motivating adolescents can be hard but it gives good results. This is an interesting article for our journal, anyway, authors have to revise the manuscript to correct all typos and improve English. EDITORIAL COMMENTS: • There are some typographic errors. There are very long sentences. To improve readability, consider breaking them into multiple sentences. The authors are encouraged to proofread thoroughly the text before resubmission. English must be improved. It is the basic requirement for the article to be published. The level of language and the clarity of the sentences must be improved. • Please add Town, State, and Nation when citing pharmaceutical or device industries. • The "p" of p-value must be written in Italics and small letters. • Please write "Table 1" as "Table I" and so on, both in the text and tables. • Complete all references in accordance with the Instructions for the authors (see How to submit an article, [www.europeanreview.org](#)): you must list all the authors; the year must be without month of publication; you have to delete the number of the single issue after the volume's number; name of the journal: the international acronyms of

the journals must be written without any punctuation; you must put a space after semicolon and colon; moreover, initial and final pages must be entirely reported (NOT 2014;2014:907-15, YES 2014; 2014: 907-915). In the references, you must substitute "and" with "," (comma) before the last author's name. After the last author's name, you must put "." (full stop). The author's name should be written as Nainan OV, Xia G, Vaughan G, Margolis HS. NOT as NAINAN OV, XIA G, VAUGHAN G, MARGOLIS HS. Example: 1. Nainan OV, Xia G, Vaughan G, Margolis HS. Diagnosis of hepatitis A virus infection: a molecular approach. Clin Microbiol Rev 2006; 19: 63-79. This is the correct version..

Dear Dr,

we are preparing the galley proof of the article #1.11488 but we need you to address some issues in the text before:

- Please, check the yellow-highlighted sentences and improve clarity;

- Please, check **Schwarzer and Jerusalem**<sup>18</sup> very carefully since the authors Schwarzer and Jerusalem do not match with the authors' list of reference 18. Please, fix this inaccuracy.

Please, use the attached file to make corrections.

Best regards,

Journal Editorial Team
