Proceedings of the 1st Borobudur International Symposium on Humanities, Economics and Social Sciences (BIS-HESS 2019)

HOME

The 1st Borobudur International Symposium on Humanities, Economics, and Social Science (BIS-HESS) 2019 is hosted by Universitas Muhammadiyah Magelang, Indonesia. The conference is also co-hosted by other twenty-one institutions. The main theme of this symposium is “Local resources empowerment towards advance, smart and sustainable system” as a part of the United Nations agenda for sustainable development goals in 2030. We hope that our later discussion may result transfer of experiences and research findings from participants to others, from one institution to another, from social researcher to engineering researcher and vice versa.
