ACKNOWLEDGEMENT

All praises are to Allah SWT the Lord of all worlds, the Most Compassionate, Most Merciful, the owner of everything, who has been giving the writer health, strenght, joy, mercy, and spirit so that she can finish this thesis for less than 8 months, Alhamdulillah. Sholawat and Salam to our Prophet Muhammad SAW who has been being our best role of model, brought us from the darkness era to the lightness by Islamic religion.

The writer would like to precise her deepest gratitude to Dr. Dwijani Ratnadewi, M.Pd. and Armeria Wijaya M.Pd. as her advisors who have shared their valuable guidance and advice for all the mistakes with thoroughness and empathy in doing this thesis. They were along with the writer to do this thesis from the start until finish.

The writer would like to thank her family for being her never-ending supporters, Umik and Abi for always encouraging and ask her about her thesis progress even though they don't understand any of it. Umik for being place to tell her story and Abi for always give her advice. Safira and Alka, thank you for being sister and brother as they should be.

Then the writer would like to thank COVID-19, there were many pros and cons effects of this pandemic but for the writer, because of COVID-19 she learnt many things, being more careful and moreover she could spend more time with herself; which could healing, understanding and knowing herself deeper. Doing thesis in the middle of the pandemic was full of stress, pressure and worrying, struggling alone with no friend around, especially the common activity became doing through the internet/online, the thesis advising session and thesis exam as well became online through WhatsApp and Zoom. People activities became new normal in every aspect.

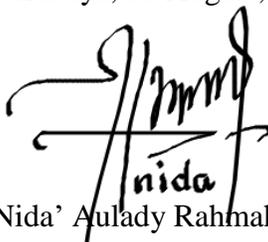

During quarantine at home while doing this thesis, the writer most of the time was accompanied by her cousin; Adilla, thank you for being talkative while the writer was focusing on her work, even it troublesome but your spirit was contagious. Ami, Mima, Lek Uning, Mbak Is, Deipa, Cak Abik, Aci, Naila, Rizza and many more thank you for making her thesis-quarantine-covid19 was colorful. And also special thanks to her cousin Mbak

Dian for being the third advisor, giving her input and advice to do her very first research, also giving her time to discuss many things.

The writer would like to thank her friends; Liza who gave her support to finish this thesis, she encouraged her by always giving a gift in every achievement step of her thesis, the simple thing could lead to the great one, thanks for being a friend in need and unneeded, Za!, Maiko and Pipit for a place to share the story, cry and smile even just through private messages because of the long-distance apart. The girls of Kos Karmen No.30; Himplek, Dinon, Himma, her roommate Bilong. And super thank to Kissmi and Kak Ha, for being very best thesis friend, the writer was very thankful to be with them in the last progress of her thesis, the struggle to put for doing chapter 4 was a lot, ups downs and unfortunately being with them was easier. The girls of Sidang Onlen 2020; Andin, Vee, Megu, Mbak Nov, Supik, and Apipe, thank you so much for our togetherness. Do not forget the writer would like to thank Raihana, her new friend when conducting KKN-PPL in Padang Besar Thailand, without her she could never finish the thesis proposal. Thank for the companion, the togetherness and your kindness.

The last and unconditionally, the writer would like to thank her, for being strong, faithful, consistent, and never lose hope to finish this thesis until the end. Nid, you never know what will face you in the future, you never know what kind of obstacles waiting for you ahead, but no matter what happens still be you, honest and genuine, always be good to you and around you. Congrats!
